Hi Everybody:

We just completed our Annual Meeting (March 22) at Shock-N-All Recreation Center in Flatwoods, WV. The spaghetti dinner was good. We had about 48 in attendance. Our guest speaker was Jon Hammond, WVU Rifle Coach, speaking about their 16th National Championship and the teams visit to the White House. We also heard from Jim Kilgore, NRA Senior Field Representative, West Virginia; Western Virginia and Western Maryland.

Elections were conducted during the business part of the meeting. Our new Secretary is Linda Gruver of Daniels. Treasure Amy Tenney was re-elected. A new District Director, Dave Gruver for District 9 was elected. He is replacing Steve Lindsay, a Past President and long time District Director. Steve says he wants to stay active and help the State Association. Thanks to Steve for all the years of service. Other District Directors re-elected were District 1, Fritz Hemmpleman, District 5, Paul Bisher and District 7, Delores Williams. Welcome Linda and Dave Gruver of Daniels and congratulations to those re-elected.

We had a short message from Lexi Rusnack, the NRA ILA liaison for WV. She said she enjoyed her visit and dinner.

Mike Moore, Coach of the WV Jr. Shooters introduced Junior Robert McNair for his winning success at Camp Perry last year.

Bill Shank, Coach of the Putnam Co. Small Bore Rifle team introduced Noah Barker for a clean sweep score of 400 w/23x’s.

Legislation: We have two gentlemen, JR Hill and Jim Pennington, that co-chair our legislative activities by monitoring Bills being introduced, responding to such issues we can’t support and by contacting individuals to help support issues where we can. They have been very active. We are watching HB 3018, which if passed can increase taxes on ammo by 50% and 20% on firearms. You need to help by calling your Representatives now!

Web-Site: Bear with us as we are in the process of re doing our web-site shortly.

Clubs and Juniors: if you are planning to participate at our State Matches and go to Camp Perry for Nationals and could use some support, contact the State Association, your District Director or an Association Officer. Maybe we can help.
New Raffles: We are planning on new raffles for 2014. The 1911 45 ACP went over very well and we will try to add on an M1 Garand. We will be at Hunting and Fishing Days at Stonewall Jackson in September and the Charleston Hunt Show in January. Watch for details and for Tickets.

Last year’s 1911 45ACP Winner was Sandy Workman from Elkins.

Shooting Seminars: We have had an offer from a Distinguished Shooter, Capt. Don Bartlett to teach High Power Rifle Classes at White Horse Range. We will consider some Pistol Classes also at little or no cost if there is interest. If interested contact one of the officers by June 30.

Watch this Newsletter for schedules and events. Support us when you can. Thanks for your attention.

WINTER INDOOR 1800 BULLSEYE MATCHES

Two winter indoor 1800 bullseye pistol matches were held in February and March of 2014 at L&S Indoor Pistol Range in Caldwell, near Lewisburg, WV. Each 1800 aggregate consisted of a 900 .22 match and a 900 center fire match shot at 50 feet. Eighteen individuals shot in the February match with two relays and nine shooters participated in the March match and one relay was fired.

Lisa Hudnall, owner of L&S Indoor Pistol Range, was extremely pleased with the turnout and wishes to hold more monthly matches this November and January through March of 2015.

Lee Godbey arranged and set the dates for each match and Dave and Linda Gruver assisted with the registration, scoring and recording of the matches. A special thanks is in order to Dave and Linda for completely running the match in March. Lee was very pleased with the number of shooters that turned out for these winter matches. He said that, “it was a good way to keep in practice over the long winter months and it was also good to stay in touch with all the shooters across the state.”

Gratitude is extended to Jim Pennington for providing the registration and scoring cards and also assistance in how to write up a match bulletin.

Vern Reichenbecher won the grand aggregate match held in February. William Murphy won the Master class, Vern won the Expert class, Jim Pennington won the Sharpshooter class and CJ King won the Marksman class. The grand aggregate winner in March was Dave Gruver. William Murphy won the Master class, again, and Don McKenzie won the Marksman class.

A special thank you is extended to all the shooters that turned out this past winter to make these matches a great success. High hopes for another good shooter turnout is in order for this coming winter, weather permitting.

Respectfully submitted by:

Lee Godbey

**West Virginia (Y.E.S.) Youth Educational Summit Program, Inc.**

The West Virginia (Y.E.S.) Youth Education Summit program is new starting in 2014, in conjunction with National Y.E.S.. Its purpose is to introduce high school sophomores and juniors to their state government and the roles that future generations of voters will play. A special emphasis is also placed on the benefits of firearms ownership.

The main goals of this program are to give these students the opportunity to develop an awareness and desire to participate in all levels of government, learn about their state's unique heritage and history, and obtain a better understanding of volunteer organizations and how young citizens can become involved in serving their communities.

Students spend three days October 16-19, 2014 in the state capital visiting with legislative and political leaders, and learning about their state's history by touring the Capital Complex, Governor's Mansion, museums and historical sites. In addition, students are introduced to various career opportunities, relating directly or indirectly to their interest in firearms, such as law enforcement or military service. Careers in wildlife and conservation are also included within this scope. Students also practice their public speaking and debate skills through carefully designed group exercises.

Funding for the program comes primarily through grants from each state's State Fund Committee. Funding may also be secured through other sponsors or donors. The end result is that students attend Y.E.S. free of charge, though they are required to cover their own transportation costs to and from the program.

The program teaches valuable leadership skills and promotes students to become involved as active citizens in their local community. State volunteer not only are they teaching today’s youth about the history and mission of the NRA, but also cultivating communication and leadership skills that students will carry on with them for the rest of their lives. If you find you are interested in this, we are currently accepting applications from qualified high school sophomores and juniors to participate in The West Virginia (Y.E.S.) Youth Education Summit program. Application deadline is July 30, 2014.

**Brassmasters– Mountaineer Regional Pistol Championship**

The 2014 Shooting Season opened for Brassmasters with a Cowboy Action Match on April 13th, followed by the Mountaineer Regional Pistol Championships April 26th & 27th. Although the participation level was down from last year’s regional, we still drew competitors from Ohio, Pennsylvania, Maryland, New York, Canada and throughout West Virginia. Brassmasters’ Tournament Officials have attributed the lower turnout to earlier tournament dates, competition by other matches/tournaments held during these dates and a scarcity of ammunition and reloading components. However, the two-day tournament experienced some good scores, a return of seasoned (old) shooters that have reentered conventional (bullseye) pistol competition after long hiatuses and several new shooters. Briefly, results of the Mountaineer Regional Championships are as follow:

Thanks to the NRA for a recent grant in which we were able to have full color tri-fold brochures made. If you or your club would like to have some to share with others in your area, please contact us at wvsrpa@gmail.com or write to us at P.O. Box 2504 Buckhannon, WV 26201 and we will gladly get those in the mail to you. Help us spread the word about the State Association.
